Nearly 18,000 children, teens, and adults experienced the Museum thanks to special access initiatives including the ACCESS, STAMP, Blue Star Museums, and Art Reach programs; through free admission days, pay-what-you-wish evenings, the Free February program, free access to the Only In America® Gallery and first floor; and through underwriting thanks to generous donors who support our education program.

On July 4, 2015, the Museum welcomed more than 2,000 visitors to celebrate Independence Day.
