The Museum presented 100 programs, including lectures, film screenings, family days, Young Friends events, sensory-friendly activities, and more.

More than 10,000 K–12 students experienced the Museum through specially designed programs such as Courageous Choices, Becoming American and the accompanying Traveling Suitcase, and others. Thanks to our generous donors, approximately 2/3 of all student groups received funding to support their NMAJH visit.

“This visit helped our students more fully understand the obstacles, challenges, and successes of Jewish immigrants and other immigrant groups.”

—ST. ISIDORE SCHOOL IN QUAKERTOWN, PENNSYLVANIA

Nearly 120 families and organizations rented the Museum for private functions, including weddings, bar and bat mitzvahs, corporate functions, nonprofit fund-raising events, and more. NMAJH.org/EventSpace

Nearly 32,500 visitors experienced the Museum free of charge thanks to special-access initiatives.

Each year, the Museum welcomes visitors from around the world. This year brought us individual visitors, families, and groups from Austria, Bangladesh, Belgium, Canada, China, France, Germany, Ghana, Israel, Italy, Japan, Kenya, Mexico, the Netherlands, Nigeria, Russia, South Africa, Spain, Ukraine, the United Kingdom, Zimbabwe, and others.
In fiscal year 2017, the Museum presented 4 Special Exhibitions, which were on-site in Philadelphia, and toured two exhibitions to five different venues across the United States.
